About Us:

Nandur (Ghat) is a remote village located in Kaij Taluka of Beed District in Marathwada region of Maharashtra state. Seventeen years ago, there was no facility of even 10+2 and higher education at Nandur (Ghat). The students of the area had to go to Ambajogai, Kalamb, Latur, Beed, Aurangabad or Pune for higher education. Majority of the population residing in the area is indulged in farming. They have been deprived of higher education. They are from poor socio-economical background. It was only privilege of the rich to avail the opportunity of higher education available in the cities. Due to poor socio-economical background, majority of the students were unable to avail the facility of higher education available in the cities. Keeping in view the necessity of higher education in this remote area, some visionary people came forward to establish the institution of higher education under the umbrella of Shivsagar Sevabhavi Shikshan Prasarak Mandal, Chhatrapati Sambhajinagar , established under the guidance of Hon'ble Adv Santosh Sawargaonkar, Secretary in 1999. Shivsagar Sevabhavi Shikshan Prasarak Mandal, Chhatrapati Sambhajinagar, started Arts, Science and Commerce College, Nandur (Ghat) in June 2000. The college is started with the motto 'from Ignorance to Knowledge' in rural area of Beed district in Marathwada region.
